Air Emissions				3070	1.0070
Carbon Dioxide (CO ₂), Nitrogen Dxide (NO _X), and Sulfur Dioxide	System average emission rates are based on data through the First Quarter 2021. Emission Type Lbs. per MWh Percentage of NEPOOL System Average				
(SO ₂) emission rates from these	Nitrogen Oxides (No _x)	0.7549 10	00%		
sources are presented as a percent of the region's average	Sulfur Dioxide (SO ₂)		00%		
emission rate based on the System Mix	Carbon Dioxide (CO ₂)	768.19	00%		
·	25% of electricity associated with NextEra Energy Services Massachusetts, LLC came from power sources with union				
Labor	contracts and 75% came from power sources without union contracts. 0% of the electricity assigned to this electricity product came from power sources that used replacement labor during labor disputes between April 1, 2020 and March 31, 2021.				
Information					
	Electricity customers in New England are served by an integrated power grid, not particular generating units. The above information is				
Notes	based on the most recently available information provided via the NEPOOL Generation Information System and the Massachusetts Department of Telecommunications and Energy. NextEra Energy Services procures its electricity supply through system power contracts,				
	not from specific generating units.				
	 See your contract terms and conditions for further information on this label. You may contact NextEra Energy Services toll free at 1-855 419-5458, the Massachusetts Department of Energy Resources at 1-617-626-7300 or the Massachusetts Department of Public Utilities at 1-877-886-5066. 				
	3. The effective price above applies to usage between December 2020 meter read dates and December 2023 meter read dates.				
	For electric usage NextEra Energy Services Massachusetts retires renewable energy certificates ("RECs") in addition to the RPS requirement as follows:				
	Standard Product: RECs representing generation from North American wind resources in an amount equal to 100% of usage.				
	Opt-In Product: RECs representing generation from MA Class I resources in an amount equal to 100% of usage
