Notes

1. Electricity customers in New England are served by an integrated power grid, not particular generating units. The above information is based on the most recently available information provided via the NEPOOL Generation Information System and the Massachusetts Department of Telecommunications and Energy. NextEra Energy Services procures its electricity supply through system power contracts, not from specific generating units.

2. See your contract terms and conditions for further information on this label. You may contact NextEra Energy Services toll free at 1-866-322-4392, the Massachusetts Department of Energy Resources at 1-800-727-1234 or the Massachusetts Department of Public Utilities at 1-877-886-5066.

3. The effective price above applies to usage between July 2024 meter read dates and July 2026 meter read dates.
