(1) Prices shown are indicative and for a February 2022 start and may not represent your final contract price if start date varies.

(2) Small Commercial, Industrial or High Load Factor is based on your utility rate classification. This will be determined by your bill copies and/or historical usage.

(3) Communities taking service under the Ohio Edison Efficiency Safety Incentive Program (ESIP) will not benefit from the NOPEC Preferred Pricing offer for Street Lighting accounts. The ESIP distribution tariff rate is not available if you switch to alternate electric generation supplier.
